**NOTE 1:** Oregon provides half the regular per-pupil funding for each kindergarten student, so kindergarten is a half-day program at most schools across the state. K=.5 enrollment counts each kindergartener as one-half of a student, for funding and staffing purposes. "K=1" counts the actual number of individual students.

**NOTE 2:** This is the enrollment of the Arts and Technology Academy at the elementary level only.

**NOTE 3:** This is the enrollment of Family School at the elementary level only.
