

REQUEST FOR KINDERGARTEN TRANSPORTATION

To be eligible to ride a school bus in the 4-J School District, an elementary student must reside more than 1.0 mile from school. Students should arrive at their stop five minutes before the scheduled time. Buses do not wait past the scheduled time. The request for midday transportation to/from Kindergarten programs is separate from the registration process on the Regular AM/PM School Routes.

Transportation to or from a daycare site is possible providing the daycare address is at least a mile from school and is in the school attendance area.

I would like to apply for midday transportation if my child is eligible and I will have an adult at the bus stop at the appropriate time to meet my student
